CW 48		CW 49				CW 50				CW 51				CW 1				

Please note

If the order, together with all necessary documents and complete data, is received, and all possible technical questions are clarified by 09:00 a.m. CET, this day will count as the first working day. If the day of dispatch lies after the last dispatch day, the dispatch day will be 03.01.2018.

Working days before and after the production break are continuous. Example:

5 WD order on Dec. 19th 2017 (before 9:00 am CET)

Production time 6 WD = 5 WD (before production break) + 1 WD (after production break)

Dispatch on Wednesday Jan. 3rd 2018.

WD	WD	WD	WD	Production break	WD	Dispatch
19.12	20.12	21.12	22.12		02.01	03.01
Tu	We	Th	Fr		Tu	We
1	2	3	4		5	

Example for order before and dispatch after production break.
