Please note

If the order, together with all necessary documents and complete data, is received by 09:00 a.m. CET, this day will count as the first working day. If the day of dispatch lies after the last dispatch day, the dispatch day will be 03.01.2019.

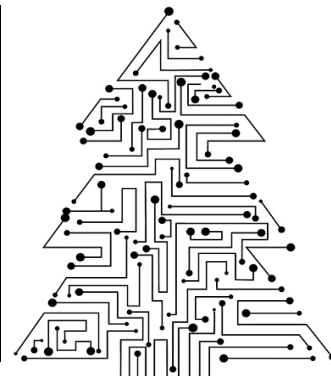

Working days before and after the production break are continuous. Example:

5 WD order on Dec. 18th 2018 (before 9:00 am CET)
Production time 5 WD = 4 WD (before production break) + 1 WD (after production break)

Dispatch on Thursday Jan. 3rd 2019.

Example for order before and dispatch after production break.
