<sup>1</sup> Please check product and service availability for the postal code of the sender and recipient at <https://dct.dhl.com/>.

<sup>2</sup> Additional transit time for the Deminimis value limit applicable in the country of destination. Higher value of goods may result in longer transit times. Express 9:00/10:30 products are not available for shipments with High Value goods.

<sup>3</sup> The term Mikronesien (Micronesia) includes the following islands: Guam, Federated States of Micronesia, Kiribati, Marshall Islands, Nauru, Northern Mariana Islands, Palau, Wake.

<sup>4</sup> The following islands are grouped together under the term Niederländische Antillen (Netherlands Antilles): Curacao, Bonaire, Sint Maarten, Sint Eustatius, Saba, Aruba.

<sup>5</sup> Please note: For this country certain territories (e.g. islands, exclaves) are shown separately in the list, which may have different durations and zones.

### \*Important notes

The stated transit times are non-binding standard transit times in working days (Mon - Fri) based on empirical values. The information for Time Definite refers to shipments to or from the capital of the respective country.

The transit times for Day Definite shipments represent the best possible standard transit time to or from the respective country.

**For shipments to certain areas, transit times may vary. Therefore, please check the recipient's postal code at <https://dct.dhl.com/> to obtain the standard transit time as well as the product and service availability and, in the case of shipments subject to customs duties, also check the value of the goods in the shipment.**

Please be aware of transit time changes and country-specific restrictions on service availability. If there are any changes in transit times due to official restrictions caused by the coronavirus, you will always find the latest information at <https://www.dhl.de/en/geschaeftskunden/express/coronavirus.html>.
