

Printed Circuit Boards Leiterplatten

Low price, high tech – see online calculator for prototypes, small and large volume 1-48 layers

Internet: www.multi-circuit-boards.eu - Email: info@multi-circuit-boards.eu

Kundenbetreuung / Support: Multi Leiterplatten GmbH, Brunnthaler Str. 2, DE-85649 Brunnthal, Tel. +49 (0) 8104 6280

Example: Simple panel scored

- The panel design should always be checked with your assembly partner, pay attention to fiducial marks and mounting holes!
- Minimum space between tracks / copper and scoring edge: 500µm!
- Spacing between the single boards: 0.0mm!
- Define outlines with 0.01mm or 1mil!
- We suggest a frame of 5 10mm for better handling!
