SVHC - Declaration of Compliance

Poole, 10.07.2017

Information regarding Substances of Very High Concern (SVHC) according to Regulation (EC) No 1907/2006 (REACH), Art. 33

SVHC (substances of very high concern) are chemical bonds (or part of a group of chemical bonds) for which the approval of application within EU is subject to the REACH-regulation.

The first list of SVHC has been published on October 28th 2008. The latest version dates **July 7th 2017**, including 174 substances.

To the present and best of our knowledge and based on the information available to us from our suppliers, our current products offered do not contain any substances of very high concern as published on June 20th 2011 by Candidate List of “Substances of Very High Concern (SVHC)”, respectively above a limit of 0.1 % weight by weight.
